# ADITYA KARANAM

Department of Information Systems and Analytics	(+65) 96617679	
School of Computing	karanam@nus.edu.sg	$\searrow$
National University of Singapore	askaranam.github.io	•

#### EMPLOYMENT

National University of Singapore, Singapore. Assistant Professor, Dept. of Information Systems and Analytics	12/2021- (present)
Indian School of Business, Hyderabad, TS, India. Research Associate, Srini Raju Center for IT & Networked Economy	07/2014-07/2016
Indian Statistical Institute, Kolkata, India. Research Assistant, Biomedical Imaging & Bioinformatics Lab	01/2014 – 06/2014
Indian Statistical Institute, Kolkata, India. Summer Research Fellow, Machine Intelligence Unit	05/2013 - 07/2013

## **EDUCATION**

## The University of Texas at Austin, McCombs School of Business

Ph.D. Information Systems 2016-2021

#### The University of Texas at Austin

**M.S.** Economics (*Field*: Econometrics) 2020

#### Birla Institute of Technology & Science (BITS) - Pilani

M.Sc.(Tech.) Information Technology

Thesis: Content Based Medical Image Classification

## RESEARCH

# **Journal Publications**

I. *Aditya Karanam*, Ashish Agarwal, & Anitesh Barua (2022), Design for Social Sharing: The Case of Mobile Apps *Information Systems Research*, 34(2):721-743.

# Manuscripts Under Revision/Preparation

Aditya Karanam, Deepa Mani, & Rajib Saha. Technological Relatedness to the ICT Industry and Its Impact on Innovation Performance and Competitive Intensity (3<sup>rd</sup> round revision at Information Systems Research) (link)

Featured in: Forbes, ISB Insight.

2. *Aditya Karanam*, Ashish Agarwal, & Anitesh Barua. Follow Your Hear or Listen to Users? The Case of Mobile App Design ( $2^{nd}$  round revision *Information Systems Research*) (link)

Kauffman Best Student Paper Nomination at ICIS, 2021

- 3. *Aditya Karanam*, Deepa Mani, & Rajib Saha Comovement in Technology Partnerships *Preparing for SMJ* (link)
- 4. *Aditya Karanam*, Ashish Agarwal, & Anitesh Barua. Extracting Suggestion Features from Noisy User Generated Content Using BERT

Best Paper Nomination at Workshop in Information Technology and Systems, 2020

- 5. *Aditya Karanam* & Ashish Agarwal. Collusion of Deep Reinforcement Learning Algorithms in First Price Auctions
- 6. *Aditya Karanam*, Ashish Agarwal & Anitesh Barua. Promotional Signals for Platform Content Generation

# **Refereed Conference Proceedings**

- Aditya Karanam, Ashish Agarwal and Anitesh Barua (2021), "Machine Learning Based Product Design: The Case of Mobile Apps", International Conference on Information Systems Proceedings, Austin, Tx (Kauffman Best Student Paper Nomination).
- 2. Aditya Karanam, Ashish Agarwal and Anitesh Barua. (2020), "Extracting Suggestion Features from Noisy User Generated Content Using BERT", **Workshop in Information Technology and Systems (Best Paper Nomination)**.
- 3. Aditya Karanam, Ashish Agarwal and Anitesh Barua (2018), "Designing for Visibility and Sharing: The Case of Mobile Apps", **International Conference on Information Systems Proceedings**.

## **Refereed Workshops**

- Eugene Lim and Aditya Karanam (2023), "Artificial Intelligence, Collusion and Auctions", AAAI Summer Symposium on AI4FinTech, Singapore, July 18-19.
- 2. Aditya Karanam, Ashish Agarwal and Anitesh Barua. (2020), "Extracting Suggestion Features from Noisy User Generated Content Using BERT", **Workshop in Information Technology and Systems (Best Paper Nomination)**.
- 3. Aditya Karanam, Ashish Agarwal and Anitesh Barua (2017), "Designing for Visibility: The Case of Mobile Apps", **Workshop in Information Systems and Economics**, Seoul, December 12-14.
- 4. Aditya Karanam, Ashish Agarwal and Anitesh Barua. (2020), "Designing New App Features: Imitate, Innovate or Follow the Crowd", **Sixteenth Symposium on Statistical Challenges in eCommerce Research**, Spain, June 18-19.
- 5. Aditya Karanam, Ashish Agarwal and Anitesh Barua. (2019), "Extracting Information from User Generated Content based on Named Entity Recognition Techniques", **Statistical Challenges in eCommerce Research**, Hong Kong, June 14-16.
- 6. Aditya Karanam, Ashish Agarwal and Anitesh Barua (2018), "Designing for Visibility: The Case of Mobile Apps", **Statistical Challenges in eCommerce Research**, Rotterdam, June 10-12.

# TEACHING EXPERIENCE

#### Instructor

**NUS, School of Computing** 

IS 4242 Intelligent Systems & Techniques (undergrad elective course)	Fall (2024 - )
BT 3102 Computational Methods for BZA (undergrad core course)	Spring (2022 - )
UT Austin, McCombs School of Business	
MIS 301 Introduction to Information Management (undergraduate core cou	rse) Fall, 2019
Nominated for the Fred Moore Teaching Excellence Award	
Teaching Assistant UT, Austin, McCombs School of Business	
MSBA User Generated Content Analysis	Fall 2016, Fall 2017
MSBA Social Media & Network Analytics	Spring 2017
STA 301 Introduction to Data Science	Fall 2020
Awards & Fellowships	
I. NUS Research Grant of 180,000 SGD (130K USD)	2021
2. Kauffman Best Student Paper Nomination	ICIS, 2021
3. McCombs Research Excellence Grant of 10,000 USD	2021
4. Best Paper Nomination	WITS, 2020
5. Nominated for Fred Moore Teaching Excellence Award	2020
6. McCombs Dean's Fellowship	2016-2020
7. <b>Indian Academy of Sciences</b> , Summer Research Fellowship	2013
Research Talks	
Invited Seminars/Conference Presentations	
1. Centre for Software & Information Technology Management, Indian Institu	ute of Management
Bangalore, India.	11/2022
2. National University of Singapore, Singapore	05/2021
3. Center for Analytics and Transformative Technologies, UT Austin	03/2021
4. W.P. Carey School of Business, Arizona State University	02/2021
5. David Eccles School of Business, The University of Utah	02/2021
6. Mays Business School, Texas A&M University	01/2021
Service to Profession	
1. Reviewer	
(a) Management Science	Since 2010

. Reviewer	
(a) Management Science	Since 2019
(b) Information Systems Research	Since 2020
(c) Management Information Systems Quarterly (MISQ)	Since 2019
(d) International Conference on Information Systems (ICIS)	Since 2020
(e) Conference on Information Systems and Technology (CIST)	Since 2021
0 1/ 01 6	

2. Organizing and/or Chairing Sessions

(a) 31 <sup>st</sup> International Conference on Inform Session Chair: Social Media and Digital C	
(b) Program Committee Member	CIST 2022, CIST 2023
Aditya Karanam   Curriculum Vitae	Last Updated   Wednesday 26 <sup>th</sup> July, 2023
